## ***Pearls of Wisdom*** Cards

During the dinner hour you can have your family, guests, and friends participate in your celebration. Just have your DJ invite your guest to write their "***Pearls of Wisdom***" to you on cards like the ones shown below.

***Pearls of Wisdom*** are words of advice or inspiration that your guests would like to share with you as you start your life as a newly married couple. They will be witty, humorous, sincere, and inspirational! Your DJ can read a few of these "***Pearls of Wisdom***" to the Bride & Groom after the meal. The most fun is to announce to your guests the cards will be collected and sealed in an envelope for the bride and groom to read at their first anniversary!

The card stock used for these is Avery 8577 Postcards/Index Cards and can be purchased for about \$6.00 at Sam's Club.

I can provide the layout below in Microsoft WORD format or just design your own!

Just place one of these cards at each person's seat and drop (4) BIC "Crystal" black pens on each table. These pens sell for about \$1 per (10) at Wal-Mart and other discount stores.

This is a great inexpensive idea that will make your reception more fun!
